

1500rpm 1800rpm SDEC 10kva Three Phase Generator Electric Manual Start

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Sdec
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Starting System: Electric/Manual
- Power: 10-1000KW
- Protection System: Overload/High Temperature/Low Oil Pressure
- Type: Diesel Generator
- Voltage: 220V/ 380V/ 400V/ 415V/ 440V/ 480V
- Brand: SDEC
- Control System: Automatic/Manual
- Speed: 1500/1800rpm
- Highlight: **SDEC 10kva Three Phase Generator,
1500rpm Three Phase Generator,
1800rpm Three Phase Generator**

Product Description

Product Description:

SDEC Diesel Generating Unit is an automatic/manual control system designed to provide reliable power generation from 10-1000KW. It is a diesel generator with a voltage of 220V/ 380V/ 400V/ 415V/ 440V/ 480V and a frequency of 50/60Hz. The SDEC Diesel Engine Generator System is engineered with the highest quality materials and components to ensure efficiency and long-term reliability. With its advanced technology and reliable performance, the SDEC Diesel Engine Generator System is an ideal choice for both residential and commercial applications. It is designed to meet all safety standards and provide maximum power output.

Features:

Product Name: **SDEC Diesel Generator**

Brand: **SDEC**

Noise: **Low**

Protection System: **Overload/High Temperature/Low Oil Pressure**

Speed: **1500/1800rpm**

Frequency: **50/60Hz**

Technical Parameters:

Attribute	Value
Brand	SDEC
Speed	1500/1800rpm
Warranty	1 Year
Starting System	Electric/Manual
Voltage	220V/ 380V/ 400V/ 415V/ 440V/ 480V
Control System	Automatic/Manual
Protection System	Overload/High Temperature/Low Oil Pressure
Noise	Low
Cooling System	Air/Water
Type	Diesel Generator

Applications:

SDEC Diesel Generator is a reliable and durable diesel generating equipment designed and manufactured by SDEC. It is certified by ISO9001 and has a minimum order quantity of 1. The price is negotiable and it is packaged in a wood case for optimal protection during delivery. It is usually delivered within 10-15 days and accepted payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The supply ability of SDEC Diesel Generator is 1000 pieces per week and it has a power range of 10-1000KW with voltage options of 220V/380V/400V/415V/440V/480V. The generator is equipped with a cooling system, which can be air or water cooled, and it is an ideal diesel generator set for various applications.

Support and Services:

SDEC Diesel Generator Technical Support and Services

SDEC provides a comprehensive support and service package for our Diesel Generator product. Our team of experienced engineers can provide 24/7 technical assistance for any of your needs.

On-site maintenance and repair services

Remote monitoring and troubleshooting

Backup parts and accessories

Software upgrades and updates

Technical support hotline

Training and education

We are committed to providing the highest quality of service and support to our customers. If you have any questions or need assistance with your Diesel Generator, please don't hesitate to contact us.

Packing and Shipping:

Packaging and Shipping of SDEC Diesel Generator

SDEC Diesel Generators are packaged securely on a pallet. All generators are wrapped with plastic that is secured to the pallet with straps. All exposed edges are covered with foam to ensure a safe delivery. Generators are then shipped via truck or air transport.

FAQ:

Q: What is the brand name of the SDEC Diesel Generator?

A: The brand name of the SDEC Diesel Generator is Sdec.

Q: Where is the SDEC Diesel Generator made?

A: The SDEC Diesel Generator is made in China.

Q: What is the certification of the SDEC Diesel Generator?

A: The SDEC Diesel Generator is ISO9001 certified.

Q: What is the minimum order quantity for the SDEC Diesel Generator?

A: The minimum order quantity for the SDEC Diesel Generator is 1.

Q: How will the SDEC Diesel Generator be packaged?

A: The SDEC Diesel Generator will be packaged in a wood case.
