

## Electric Manual Weichai Diesel Generator 380/400/415V ≤75dB(A)

Our Product Introduction

for more products please visit us on [diesels-generators.com](http://diesels-generators.com)

### Basic Information

- Place of Origin: China
- Brand Name: Weichai
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

### Product Specification

- Starting System: Electric/Manual/Air
- Speed: 1500/1800rpm
- Efficiency: ≥90%
- Type: Diesel Generator
- Dimension: 1800\*1000\*1800mm
- Cooling System: Water/Air
- Warranty: 1 Year
- Frequency: 50/60Hz
- Highlight: **Electric Weichai Diesel Generator, Manual Weichai Diesel Generator**

## Product Description

### Product Description:

Weichai Diesel Generator Unit is a reliable and powerful generator set that offers high performance and reliability. It is equipped with a durable Weichai diesel engine, which is designed to run efficiently and effectively. This generator set is available in a range of power output from 20 kW to 1000 kW and can be started with either electric, manual or air system. It also features a lightweight design, with weight ranging from 1000kg to 3000kg. Weichai Diesel Generator Unit is a reliable and cost-efficient choice for power requirements, especially in industrial and commercial settings. Weichai Diesel Generator Set is a reliable and powerful generator set that offers high performance and reliability. ### Technical Parameters:

Attributes	Parameters
Warranty	1 Year
Starting System	Electric/Manual/Air
Frequency	50/60Hz
Weight	1000-3000kg
Brand	Weichai
Dimension	1800*1000*1800mm
Speed	1500/1800rpm
Power	20-1000kW
Efficiency	$\geq 90\%$
Fuel	Diesel

### Applications:

Weichai Diesel Generator is a high-performance diesel engine generator unit with ISO9001 certification, originating from China. It has a minimum order quantity of 1, with delivery time of 10-15 days and payment terms of L/C, D/A, D/P, T/T, Western Union, MoneyGram. It has a supply capacity of 1000 pieces per week, with a voltage of 380/400/415V and a starting system of electric/manual/air. The fuel used is diesel, with an efficiency of  $\geq 90\%$ . The packaging details are wood case, and the price is up for negotiation.

Weichai Diesel Generator is suitable for a wide range of applications. It is widely used for residential, commercial, and industrial power generation. With its reliable performance, robust design, and long service life, it is widely used in hospitals, factories, shopping malls, and other places for emergency power, standby power, and prime power. Moreover, its low noise and fuel-saving features make it ideal for use in remote areas, such as farms, cottages, and mobile homes.

Weichai Diesel Generator Unit with ISO9001 Certification is the best choice for reliable and efficient power generation. It is one of the most sought-after diesel generator units in the market today. With its superior quality and performance, it is the perfect solution for any power generation need. It is an ideal option for anyone looking for a reliable, durable, and efficient diesel generator unit.

## Customization:

### Weichai Diesel Generator Customized Service

Weichai diesel generator is your reliable power solution. It is with brand name of Weichai, place of origin in China, and certification of ISO9001. There is minimum order quantity of 1, the price is negotiable. The packaging details is wood case, delivery time is 10-15 days. Payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram. Supply ability is 1000 pieces per week. Dimension is 1800\*1000\*1800mm, frequency is 50/60Hz, efficiency is  $\geq 90\%$ , and warranty is 1 year. Cooling system is water/air.

## Support and Services:

Weichai Diesel Generator is supported by a wide range of technical services and support, including:

- On-site technical support and troubleshooting
- Comprehensive maintenance and repair services
- Technical advice and consultation services
- Training and product education
- Parts replacement and upgrades
- Product warranties and extended service contracts

## Packing and Shipping:

### Packaging and Shipping of Weichai Diesel Generator

Weichai diesel generator is packaged and shipped in a secure and safe way. The generator is securely and safely placed in a wooden box or crate, which is then securely and safely sealed. The box or crate is then placed into a shipping container for transport. The shipping container is designed to protect the generator during transit and can be opened and closed for inspection and loading. The shipping container is also equipped with tracking technology to track and trace the generator while in transit. The generator is shipped by trusted and reliable carriers who specialize in the transportation of goods. The carriers are selected based on their experience and ability to provide timely and safe delivery of the generator. Weichai diesel generator is shipped with the utmost care and attention to ensure that it arrives in perfect condition and ready to be used.

## FAQ:

### Weichai Diesel Generator Common Questions & Answers

**Q1: What is the Brand Name of this product?**

A1: The Brand Name of this product is Weichai.

**Q2: Where is this product from?**

A2: This product is from China.

**Q3: Does this product have any certification?**

A3: Yes, this product has ISO9001 certification.

**Q4: What is the minimum order quantity of this product?**

A4: The minimum order quantity of this product is 1.

**Q5: How will this product be packaged?**

A5: This product will be packaged in a wood case.
