Product Description

Product Description:

Wp13D317e301ng Weichai Engine 220kw Natural Gas Power Generator

Our Cummins 50Hz/60Hz Generator Set powered by natural gas or biogas is the perfect solution for reliable and efficient power generation. It comes with a 1-year warranty, and the automatic control system ensures maximum efficiency. Furthermore, it is designed with an air/water cooled cooling system to provide superior performance even in the harshest environments. The engine is compliant with the latest regulations, and has a maximum NOx emission of 500mg/Nm³. It is the ideal choice for reliable and sustainable power generation.
