

1500rpm Baudouin Engine 500kw Natural Gas Power Generator 12m26D605e300ng

Our Product Introduction

For more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Baudouin
- Certification: ISO9001, ISO14001, CE
- Model Number: 12m26D605e300ng
- Minimum Order Quantity: 1 Set
- Price: 93,239 USD
- Packaging Details: Please consult customer service.
- Delivery Time: About 30-50 days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 100 Set/Month

Product Specification

- Cooling System: Air/Water Cooled
- Cooling System: 2 Pump 2 Loop
- Power Output: 300kW-1000kW
- Dimension: Varies
- Control System: Automatic
- LHV: $\geq 15\text{MJ/m}^3 (400\text{BTU/ft}^3)$
- Warranty: 1 Year
- Nox Emission: 500mg NOx
- Highlight: **500kw Natural Gas Power Generator,
Natural Gas Power Generator 1500rpm**

Product Description

Product Description:

12m26D605e300ng 1500rpm Baudouin Engine 500kw Natural Gas Power Generator

Cummins 3500kw Gas Generator is an automatic control system generator powered by natural gas or biogas. It has a minimum of 75MN and provides a thermal efficiency of about 45%. It is available in a variety of dimensions and is highly reliable with a Cummins brand generator and Cummins brand gas genset.

Technical Parameters:

Parameter	Details
MN	≥ 75
Warranty	1 Year
Fuel Type	Natural Gas/Biogas
Dimension	Varies
LHV	$\geq 15\text{MJ/m}^3 (400\text{BTU/ft}^3)$
Cooling system	2 Pump 2 Loop
Control System	Automatic
Thermal efficiency	About 45%
Nox emission	500mg NOx
Cooling System	Air/Water Cooled
Brand	Cummins Gas Generator Set, Cummins Brand Generator, Gas Generator Engine

Company Profile:

Guangdong Minlong Mechanical and Electrical Equipment Co., Ltd. was established in 1995. Its headquarters is located in Foshan, Guangdong, the world power generating unit manufacturing base in the Pearl River Delta, which is the most developed in China. There are many branches and agencies in China.

Packing and Shipping:

Packaging and Shipping for Natural Gas Generator

Natural Gas Generator must be securely and carefully packaged for safe transportation. It is important to use the appropriate packaging materials to ensure the safety of the equipment during transit. The following are the recommended steps for the safe packaging and shipping of a Natural Gas Generator:

Securely attach all necessary components (including any loose parts) to the generator.

Wrap the generator in bubble wrap or other protective packaging materials.

Pack the generator in a sturdy cardboard box or other suitable container. Make sure the box is large enough to accommodate the generator and its components.

Seal the box with packing tape.

Label the box with the contents, destination, and sender's address.

Arrange for the appropriate shipping method.

FAQ:

What is the brand name of the Natural Gas Generator?

The brand name of the Natural Gas Generator is Baudouin.

Where is the Natural Gas Generator made?

The Natural Gas Generator is made in China.

What certifications does the Natural Gas Generator have?

The Natural Gas Generator has ISO9001, ISO14001, and CE certifications.

What is the minimum order quantity for the Natural Gas Generator?

The minimum order quantity for the Natural Gas Generator is 1 set.

What is the packaging and delivery time for the Natural Gas Generator?

The packaging details can be consulted with customer service. The delivery time for the Natural Gas Generator is about 30-50 days.

What payment methods are accepted for the Natural Gas Generator?

The payment methods accepted for the Natural Gas Generator are L/C, T/T, Western Union, and MoneyGram.

What is the supply ability of the Natural Gas Generator?

The supply ability of the Natural Gas Generator is 100 sets per month.
